Welcome

On behalf of American Marketing Service we are delighted to once again be involved in the Texas Brangus Breeders Association Miss America Sale. Our hats are off to the TBBA for the work and dedication of its breeders and members, the potential that lies ahead for your great organization, and for those of you that are seizing an opportunity by participating in the Miss America Sale.

We have undoubtedly, the best set of females that have been assembled in this sale in a number of years. Many thanks to Garry Clem, your sale chairman, and to Steve Densmore for their efforts in soliciting and screening the cattle. Many thanks also to the consignors for digging deep into your herds and selling some cattle most of you would really rather keep.

Please make plans to join us in Salado to participate in the TBBA annual meeting and festivities and to view and purchase some top notch females from your fellow TBBA breeders. If any of us with AMS can be of any assistance in your selection decisions, please do not hesitate to contact us.

Regards,

**American
Marketing Service**

**Please bring this catalog
with you to the sale.**

Donation Lot

A big Texas "Thank You" to McDonald Ranches for making this donation benefitting the TJBBA!

1 MCR MISS RED ACE 231/3

RR#: 10250073 Calved: 4/17/13 Open Heifer

Herd ID: 231/3 Gen: 1st From McDonald Ranches

MCR Miss Red Ace 231/3 is a first generation 3/8th x 5/8th's sired by Weid's Red Ace 43/T, a sire owned by MBJ Ranch. She is a moderate, deep bodied heifer that comes from one of our best producing half-blood cows who posts one @ 105 in addition to 231/3. Here is a package that offers an opportunity to bring in some new genetics, top-end performance and productivity.

Open.

5**HRR CEO KNOCKOUT 126X**R#: **10178414** Calved: **9/1/10** Spring Bred CowHerd ID: **126X** Gen: **5th** From **Happy R Ranch**

Eight traits above 30%. The complete package, this young cow has an excellent disposition, an impressive pedigree including three summit sires (KO, CEO and Cadence) and EPDs that will fit into any program with excellent growth, maternal and carcass traits. Top 4% in FT, top 15% for WW, M&G and IMF, top 20% for YW, MM and SC and top 30% for REA. No holes in this package! Her sire, Brinks CEO 468N17, is a true curve bender, whose offspring have proved up his numbers. She was selectively bred to a heifer specialist of Bright Side genetics to produce an offspring with BW EPD in top 10% and CED of top 15%. DNA test results will be available prior to sale to determine actual DD status

Pasture exposed to HRR Easy Future 535Y, R10202779 from 6/12/13 to 11/26/13. Palpated safe. ECD: 4/22/14.

She hales from the powerful Doguet and Williams 804 tribe and is sired by Doguet's Handler, a full brother to the Toughman herd sire. She boasts pleasing and balanced EPD rankings of top 10% SC, 20% BW, 30% Milk and 35% REA. Last Call is a good LTD son we are using out of a 607L11 daughter. He records 8 EPD traits in the breed's top 40% or greater including light BW, great milk and muscle.

Pasture exposed to Last Call 361W4, R10170733 from 4/1/13 to 7/10/13. Should calve first of April.

13 SKYHAWKS MS PRES 274Z

R#: 10215926 Calved: 5/2/12 Spring Bred Heifer

Herd ID: 274Z Gen: 5th From Skyhawk Brangus

This young bred heifer goes way back to Billy Harry 27 cow family which was one of the great ones. She also sports the Presidente bull as her sire. My experience with this breeding is she will be a great milking cow with a perfect udder. She is naturally bred to the 302Y, the Onstar son that I use on my Presidente heifers and should calve very close to sale day. You will like this breeding.

Safe to Skyhawks On Star 302Y, R10209540.

14 MISS MS LUCKY 820Z

R#: 10221671 Calved: 1/10/12 Spring Bred Heifer

Herd ID: 820Z Gen: 3rd From Myron Saathoff

She boasts a Lucky son on the paternal side out of 851E24, the dam of the 2007 International Champion bull, Automatic. Her dam is by Revenue, the last and only the second bull to win all four major Brangus shows, and out of 820C11, a flushmate sib to the valuable and popular Tonto daughter, 820C6. She is safe to Dax, who adds Presidente and the 89/6 JLS donor.

Pasture exposed to Mr JLS Dax 86Y8, R10207285 from 4/7/13 to 8/15/13. Should calve by sale day.

15 SKYHAWKS MS AMOS 820Z2

R#: 10213292 Calved: 3/5/12 Spring Bred Heifer
Herd ID: 820Z2 Gen: 4th From Skyhawk Brangus

820Z2 is daughter of the Show Bull of the Year, "Amos Moses." Not many know much of this bull, but he is producing great females. Amos is a Brinks Tracker son which goes back to the great 392J11 cow that we purchased a couple of years ago. Amos Moses is a half brother to "Presidente" and puts a big rib on his prodigy like his half brother. This young 820 cow also sports the great 820E23 and Power Stroke in the maternal half of her pedigree. She is naturally bred to a big boned Onstar son that we use on Presidente heifers and will calve close to sale day.

Safe to Skyhawks On Star 302Y, R10209540.

26 KK MISS BLACK MAGIC 915Z3

R#: 10226485 Calved: 7/2/12 Fall Bred Heifer

Herd ID: 915Z3 Gen: 6th From Diamond K Ranch

This young former show female comes to you from the foundational 915 cow family that stems back to JLS genetics. She has a striking profile as she is clean fronted, level in her lines, big ribbed and extremely sound when you get her on the move. A great grandson of 607L11, her sire 103W, is out of our powerful show female Daguets Zena 103S5 and has produced successful show animals for us since 2008. 915Z3 is moderate, docile and safe in calf to Mr JLS Affirmed 157Y2. With power and phenotype, be sure to check out this great offering from Diamond K Ranch!

Pasture exposed to Mr JLS Affirmed 157Y2, R10207241 from 8/15/13 to 1/31/14 and to Skyhawk's Zorro 582Y2, R10192400. Safe.

IH MS AMBASSADOR 820Z4

R#: 10239117 Calved: 11/29/12 Fall Bred Heifer

Herd ID: 820Z4 Gen: 4th From Indian Hills Ranch

She is a power cow who blends curve bending birth weight with outstanding growth, ranking in the breed's top 35% BW and top 15% WW and REA with top 20% YW EPDs. She is sired by our 33P6 son, Ambassador, and out of a Chief daughter. Her dam descends from the Williams 820 line. We are excited about the possibility of a Ranger calf out of her. The ones we have seen have been really good.

All'd to 101 Ranger 99W11, R10194069 on 2/5/14. Pasture exposed to IH Mr Ambassador 504Z3, R10239118 from 2/10/14 to sale day.

We are selling choice on these two ET heifers from our Fall program. In the past two years, the top selling Doguet fall heifers have exceeded \$20,000 in their purchase price. Currently three of the top five heifers in 2013 show points are Doguet females. This herd has produced three NJBS Grand Champions, one NJBS Reserve Grand Champion and numerous division and class winners at the NJBS. Doguet Diamond D Ranch produced the Show Sire, Show Bull and Show Heifer for 2011 and the Doguet's were selected as the 2011 IBBA Breeder of the Year. They swept the Houston International Heifer Show in 2011 winning both Grand Champion and Reserve Grand Champion Heifer and have produced two Houston International Champion Bulls.

We will retain the heifer not selected and she will be sold at the ranch in Poteet April 12th.

R#: 10252770 Calved: 6/2/13 Show Heifer Prospect
Herd ID: 804A2 Gen: 4th From Aimee Adamek

She is sired by Spartacus out of a Hercules daughter from the famed 804 cow family. She is halter broken and gentle. If you are looking for a show heifer prospect, there is none bred better. In addition, she writes EPDs in the breed's top 4% WW and 15% YW. Truly a great combination of eye appeal and valued performance.

Sight Unseen Purchase Option

If you are unable to attend the auction in person or watch DV Auctions Internet Broadcast, simply contact the AMS marketing team.

- Describe your selection criteria and the type of female(s) you wish to purchase and your price range.
- You pay only the bid price, just as if you were bidding in person.
- We will call after the sale to confirm your purchase and you can confirm your payment method and arrange shipping.
- You decide if the animal meets your criteria upon delivery. If you are not happy with your purchase, you don't own it.
- It is as simple as that. 100% Satisfaction guaranteed!

41 SKYHAWKS FDR

R#: 10200423 Calved: 10/2/11 Herd Sire Prospect

Herd ID: 197Y Gen: 5th From Skyhawk Brangus

There are not many good Brangus herd sires available these days and defiantly not like this one. He is a Presidente son from an Iron Farm female that goes back to Burtin's Transformer, Pathfinder and Integrity on the bottom. He has been a show calf for us and has either won grand or reserve in his division at each show. He has only been beaten in division by "Rudder" who went on to win the show championship. His adjusted REA score was 17.39 and he gentle as a dog. FDR will sire some great calves on the ground for you. I have collected him and his semen quality is excellent. We are selling full possession and keeping 50% semen interest.

Watch & bid online for FREE at

DVAuction
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make you purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy Bidding-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

IN OUR BUSINESS. It's the Little Things that Count.

Timing Is Everything

In competitive sports, hundredths of a second matter. In the bovine estrus cycle, minutes can mean the difference between success and failure. At Integrated Breeders Service we know this and adhere to strict timing and quality control protocols which help ensure a higher percentage of success. Join our growing program and let us take the guesswork out of the equation for you.

Terms and Conditions

BIDDING

Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

TERMS

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner. After 48 hours a maintenance fee of \$5.00 per day will be assessed until pickup unless the female owner or AMS arranges shipment.

SIGHT UNSEEN PURCHASES

Buyers may purchase females or bulls through the owners or American Marketing Service personnel at auction without viewing the cattle. For sight unseen purchases, the buyer has the right of inspection at the time of delivery. If the animal is deemed unsatisfactory, it may be reloaded on the delivery truck and returned to female or bull owners ranch at no obligation to the buyer. All transportation expenses will be the responsibility of the seller. If the animal is deemed unsatisfactory within one week of the purchase, the buyer may at their expense, return the animal to the female owner's ranch for a full refund of the purchase price.

CERTIFICATE OF REGISTRY

A transferred certificate of registry will be furnished to the purchaser for each registered animal once proper settlement has been made.

HEALTH

Health papers suitable for interstate shipment will be furnished on all animals.

ANNOUNCEMENTS

Any changes from the information of any kind in this catalog will be provided in a sale day supplement sheet or announced from the auction block and such information shall take precedence over cataloged information.

BREEDING GUARANTEE

1. All animals are guaranteed to be breeders with the exception of: a) calves under 12 months of age; b) animals shown by purchaser after sale in which the guarantee (if any) shall be between the seller and the buyer; c) injury or disease occurring after the sale; d) gross negligence or willful misconduct on the part of the purchaser; e) death by any reason.
2. Safe in calf females have been examined by competent personnel and are so guaranteed.
3. Exposed females have been exposed but are not guaranteed to be safe in calf.
4. Open females have not been served and are so guaranteed.
5. Donor Females. a) A female is not guaranteed to be a breeder after the date of the sale when that female is to be used or attempted to be used, in an embryo transfer program, unless by separate agreement between the buyer and seller. b) Embryo transfer guarantee. Even though it is possible some of the female lots have worked successfully in our embryo transfer program in the past, and should in the future, there is no guarantee or warranty on future embryo production of any lot. Flush records are available upon request.
6. Any bull which settles cows by natural service and passes a fertility test made by competent veterinarians, mutually agreed upon by the buyer and seller, during any six month period of trial (provided for in paragraph 2 of the section of these sales terms and conditions entitled "Options and Privileges of Return or Adjustment") shall be considered a breeder. All partial interest bulls are guaranteed to produce freezable quality semen.
7. This is not a life insurance policy. Seller will not replace a dead animal if it is killed or dies for any reason. We would suggest that normal care still needs to be exercised toward these animals and that yearling bulls should be fed so they can continue to develop properly.

PREGNANCY DETERMINATION

The registered females in this sale noted safe in calf have been determined pregnant by physical palpation or ultrasound technology. Our best estimate of service sire will be given in the case of the females with both an A.I. sire and a natural breeding sire.

OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

1. All claims for adjustment or refund must be made in writing within six months of the sale date.
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to owner's ranch, if in good condition and complying with the health requirements of their state. The seller shall be entitled to a six month trial following the return of the animal in which to prove that the animal is a breeder. If at the end of six months the seller is unable to prove the animal is a breeder, the seller shall at the option of the buyer replace the animal with another of equal value or issue a credit for the initial selling price. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred for transportation.
3. If an animal is sold and at a later date proves not to be eligible for registration under association rules, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.
4. If an animal is sold and through DNA is proven to have incorrect parentage as represented by the certificate of registration, and for which the parentage can be determined, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.

RIGHTS AND OBLIGATIONS

1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding on both. Other than the guarantees and warranties stated above, no other warranties or guarantees are expressed or implied. Each sale or resale of an animal constitutes a separate transaction.
2. Neither female or bull owners or American Marketing Service nor any other person connected with the management of the sale, assumes any liability, legal or otherwise.
